596 Acres	Design; Urban Planning; Advocacy; Urban Sustainability	Internship Fellowship	March 31 April 13	<a href="http://596acres.org/en/news/tag/opportunities/">http://596acres.org/en/news/tag/opportunities/</a>	596 Acres is a public education project aimed at making communities aware of the land resources around them. With the goal of a food sovereign New York City in mind, 596 Acres is helping neighbors form connections to the vacant lots in their lives -- from the smallest (throwing a seedbomb) to the largest (hosting a public meeting with the head of a City Agency that owns a vacant lot that was promised to the community as a park - see <a href="http://myrtenpark.org">myrtenpark.org</a> )
American Museum of Natural History	Museum Studies, Science	Research	Check again later	<a href="http://www.amnh.org/learn-teach/post-secondary/internships-for-college-and-graduate-students">http://www.amnh.org/learn-teach/post-secondary/internships-for-college-and-graduate-students</a>	AMNH offers customized, unpaid, and supervised internships in a variety of programs for schools, teachers, and the public throughout the year.
Brooklyn Botanic Garden	Horticulture, Open Space, Parks	Horticulture	Next Deadline: Dec 31st	<a href="http://www.bbg.org/about/employment/">http://www.bbg.org/about/employment/</a>	Each year, interns have an eight-month, hands-on experience working directly with BBG's internationally respected horticulture staff. Internships are open to any adult over 18 who has a strong interest in horticulture. The applicant must be able to do physical labor outdoors and possess a valid driver's license. This program is designed for people interested in pursuing a career in horticulture. Responsibilities include, but are not limited to: - Help with event set-ups and break-downs in the park - Assist in coordination of public events in the park, including our annual Movies with a View summer film series, Waterfront Workouts, Cove Camp and other education and stewardship events - Maintain databases, provide general administrative support of staff, and conduct research for events and Conservancy operations - Work extensively in the park, interacting with park staff and volunteers
Brooklyn Bridge Park Conservancy	Parks, Open Space	Event Planning, Research, Database Management, Admin	Check again later	<a href="http://www.brooklynbridgepark.org/go/about-us/jobs-and-internships">http://www.brooklynbridgepark.org/go/about-us/jobs-and-internships</a>	<del>If you are an undergraduate, graduate or professional student or a recent graduate with your own strong interest in crucial issues of our day, the</del> Clinton Foundation Intern Program offers a unique opportunity for growth, learning and meaningful service; Hands-on experience: Interns have the responsibility of interacting directly with staff, volunteers, and Foundation stakeholders, in such activities as communications, development, and scheduling. Through firsthand experience you learn how the Clinton Foundation functions on a daily basis, and assist with this process directly; In each intern class, we look for candidates who are diligent, resourceful, professional, and intellectually curious, as we believe these qualities in our interns reinforce and bring us closer to the Clinton Foundation's mission of meeting the challenges of global interdependence; the Clinton Foundation hosts a number of Brown Bag Lunches, where guests, including senior administration officials, and leaders in politics, business, entertainment, and journalism discuss issues of the day over an informal lunch.
